Ms Azam Kamguian
Chairperson
The Organisation for Emancipation of Women
P.O. Box P.M. P.F.1
D-50464 Köln

Dear Ms. Kamguian,

I would like to thank you for your recent letter in which you raise the issue of four women sentenced to death in Iran.

I have read your letter carefully and have decided to raise the issue with the Iranian Ambassador to the EU. Please see the attached letter.

Let me assure you that the European Parliament continues to follow the human rights issues in Iran closely and with increasing concern.

Yours sincerely

Elmar Brok
